

# TEDDY BEAR HOSPITAL

## 2022 VIRTUAL FAMILY DAY EVENT

### GERM PET CRAFT INSTRUCTIONS

#### Here's what you will need:

- Paper or styrofoam plate
- Construction paper (any colour)
- 5 pipe cleaners
- 5 pompoms
- 2 googly eyes
- Glue
- Markers, crayons or pencil crayons

#### STEP 1

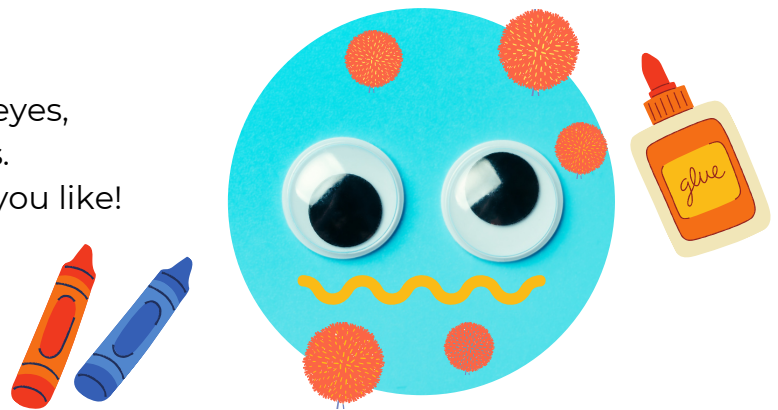

- Place your plate upside down on the centre of the construction paper and trace the outside with a pencil

#### STEP 2

- Cut out the circle. This the "face" of your germ pet!

#### STEP 3

- Decorate your germ face with googly eyes, pompoms and by drawing some spots.
- Be creative and use whatever colours you like!

#### STEP 4

- Turn your plate upside down and glue the construction paper "face" on top

#### STEP 5

- Bend and curl the pipe cleaners so they are wavy
- Glue them to the outside edge of the plate

Q: did you hear the joke about the germ?

A: Never mind, I don't want to spread it around!
